

It's Show Season!

November may mean colder weather and darker night for most, but for us, it's a busy month of broker visits and expos – for our Business Development Managers, this means show-time!

We kicked off the month in breezy Belfast, where it was wonderful to meet some of our Northern Ireland brokers again (we didn't end up at *The Dirty Onion* this time!). We hope that you all enjoyed meeting Sam, Andy, Mike and Shauna yet again, and learnt something new about our offerings for the year ahead.

Next, we're off to Coventry for the Broker Expo on Thursday 9th November – Andy and Shauna will be on the stand to meet all delegates and give away some of our much-loved product guides and freebies (phone charger anyone?)...

Finally, the whole team is heading north of the border to Glasgow, where we're exhibiting at the BIBA Scotland Conference 2017 on Wednesday 15th November. If you're in the surrounding areas, we are flying up earlier on 14th November and leaving on 16th, so there's plenty of time to book a meeting in with one of the team.

We hope to meet many of our old and new brokers this month at one of these events across the country, before show season packs up for another year.

To get in touch or to book a meeting, simply email bdm@vasek.co.uk

As ever, we look forward to meeting some of you and hope to see the rest of you soon!

Thank you,

The Vasek Insurance Team
